

# Call for applications for 2021/22: Postgraduate Diploma in Leadership

**UONGOZI Institute invites applications** from Tanzanian senior leaders in the public, private and civil society organisations **for a one-year Executive Programme, Postgraduate Diploma in Leadership**. The programme, **undertaken in collaboration with [Aalto University Executive Education of Finland \(Aalto EE\)](#)**, includes 10 modules that are run over the course of one year. Each module runs for one month, consisting of 2-3 days in-class workshops and online individual or group assignments.

The programme aims to develop leadership competencies in three areas; making strategic choices, leading people and other resources and excelling in personal leadership qualities. It is designed for leaders who want to propel their professional development without putting their careers on hold. It encourages participants to challenge their thinking as they broaden their competencies in visioning, planning and inspiring others through advanced strategic communication. It also motivates participants to become better designers and innovators of effective structures and systems for better results. The programme instructors are world-class professors and experts in leadership from around the world.

## Starts

April 2021.

## Venue

Dar es Salaam and Arusha (Specific location will be determined for each module).

## Programme requirements

Completion of the Programme requires attending all modules and completing several written pre- and post-assignments and four graded exams.
